Lindy and Anne Honeymooning Somewhere Today After Quiet Wedding in Morrow Estate Home

All Efforts to Locate Happy Young Couple Fail After Ceremony

ELUDE REPORTERS

News Men and Photographers See Pair Drive Out Gate, Unaware of Event

BY JAMES L. KILGALLAN, Marion Star Staff Writer

NEW YORK, May 28.—Lindy and Anne—were honeymooning today.

Where and in what manner no one knew, apparently, but they were seen leaving the Morrow estate home last night. They were seen leaving the Morrow estate home last night. They were seen leaving the Morrow estate home last night.

Was there to be an airplane honeymoon? A trip to Europe? Or simply a quiet spin to some secluded spot in the country? These were questions the press of the nation was seeking to learn.

Lindy—Col. Charles A. Lindbergh and his bride, the former Miss Anne Spencer Morrow, were married at 10 o'clock yesterday afternoon at the home of the bride's father, Ambassador Dwight W. Morrow at Longwood, N. J. Announcement of the much discussed wedding was withheld however until three hours later and by that time the couple had disappeared by auto.

Liude Reporters

They eluded a cordon of reporters and photographers who had

Anne Lindy and Morrow home where they were married yesterday afternoon

landed to the estate for weeks and dropped from sight as completely as did the Lone Eagle that dawn two years ago when as an unknown flier he soared into the mist overhanging the Atlantic on his epic non-stop flight from New York to Paris. The wedding ceremony was held in the drawing room of the Morrow home, the house in which the bride was born 22 years ago. Lindy, incidentally, is 27. Only 30 guests were present and they were all with one exception, relatives of the Morrow family and the bridegroom, Colonel Lindbergh's one relative present was his mother, Mrs. Evangeline L. Lindbergh. 'Obey Omitted' Lindy and Anne were married by the Rev. Dr. William Adams Brown of New York City.

SENATE KILLS SECRECY RULE

Publication of Roll Calls and Publicity on Appointments Recommended

Two-Knife Theory Cited in Court for First Time as Trial Gets Under Way

Manslaughter Charge Against Pennington Heard in Common Pleas Court. Physician Says Shuster's Life Might Have Been Saved by Attention at Agosta

That there might have been two knives used in the killing, a theory which resulted in the death of Clement C. Shuster following a dance at Agosta, March 12, was the only revelation of importance in the trial of Charles William Pennington this morning. Pennington is on trial on a charge of manslaughter in connection with the death of Shuster.

First intimation that Shuster was not killed with his own knife came this morning in the opening remarks of prosecuting attorney Alfred Donahue. Donahue told the jury that the state would prove that Pennington used a large knife which he carried for protection or bravado when he administered the slashes that resulted in Shuster's death from loss of blood.

The first witness for the state went on the stand about 10 o'clock and told the jury that he had been on duty at the time of the killing. He testified that he had seen Pennington use a knife on Shuster.

Shivery and Shaky Wheat Below \$1 What Is Modesty? Canada's Strange Roads

BY ARTHUR BRISBANE

WALL STREET was shivery and shaky yesterday. Fear of a new flurry in the money market. Wheat tilters and federal reserve bankers to treat severely the public who have the golden eggs.

Also the Canadians on their side of Niagara Falls operate a power company owned by the people and profitable. On our side of the Falls Niagara belongs to private individuals who also make it profitable.

There is this difference. Canadians buy the electric power of Niagara on their side at less than one-half the cost of privately owned power on this side.

That will please you if you are interested in Canada. It is sure to build up Canadian industries as against United States industries.

VIOLENT earthquake shocks began on Sunday continuing until early yesterday morning. The quakes were thousands of miles from this country perhaps in Japan or the Solomon Islands.

Canadian National Railways, owned by the people of Canada, is not managed by them, but profits for April more than doubled.

"COMA GIRL" LOSES SUIT FOR DAMAGES

Jury Takes One Ballot To Return Verdict Against Miss Buschmann

PAINESVILLE, May 28.—Heleen Louise Buschmann, "coma girl" lost her \$24,000 damage suit against the Great Lakes Stages Co. today when the jury returned a verdict for the defendant after deliberating only 45 minutes. Only one ballot was taken it was reported.

The girls case attracted national wide attention and baffled the entire medical world when she lay in a state of coma for more than six months after being struck by a bus at Mentor O. Jan 15, 1927.

Three of the girls' classmates at Lake Erie college where she was a sophomore at the time of the accident testified that the bus was running at a high rate of speed and struck Miss Buschmann while she was in the middle of the highway.

Defense witnesses testified however that Miss Buschmann became confused while attempting to dodge an automobile after alighting from another bus, and ran head-on into the side of the eastbound coach.

DEFENDS YOUTH

DAITON, May 28.—"Flaming youth" today has an ardent backer in the person of Cameron Beck, personal director of the New York stock exchange.

Beck delivered the commencement address at Xena high school last night. "The present generation is wonderful," said Beck. "They're not all angels, I wouldn't like them if they were."

DEADLOCK MAY BLOCK CITY'S RESURFACING

Main St. Business Men Want Bracket Lights, C. D. & M. Says "No!"

OBSELETE, COMPANY SAYS

Protest Against Paving Work Until Tangle Is Unraveled Expected

Following the refusal of the C. D. & M. Electric Co. to accept a contract providing uniform lights for Center and Main streets, business men of Main street indicated today that they will protest any paving work on that street until a satisfactory contract is reached.

It would be the height of folly to construct new paving on South Main until the tangle is unraveled. A few weeks later to install light conduits. G. T. Farle, head of the Main and Center Street Improvement association said.

With the lights practically assured by the acceptance by city council of \$4 and \$7 rates for street lights, the deadlock between C. D. & M. Electric Co. and the city council was removed when the company refused to sign a contract for the installation of the lights. Officials of the company have said their only objection was that the contract called for the erection of lights on side arm branches on Main street, leading to those now in use on West Center street.

STATE ST. WANTS NEW LIGHTS, TOO

Petition for Block from Center to Church Sts. Filed with Council

A petition for street lights on State street from Center to Church streets, similar to those now used on West Center street, was presented to city council last night with the signatures of six property owners. Several of the signers were present in person in the interest of the petition.

The fact that South State street leads to the Marion postoffice and passes the Y. M. C. A. and other arguments in favor of the proposed lighting system were presented. Council voted to refer the matter to the street lighting committee for investigation and recommendation.

The signers of the petition and the number of feet of frontage they have on State street are: C. C. Roberts of Roberts & Christian, 100 feet; J. H. Hocking Co. by W. H. Hocking, 100 feet; J. O. Teller, 100 feet; J. A. Stengel, 100 feet; Hotel Marion Co. by W. L. Warner, 112 feet; The Marion Y. M. C. A., by H. F. Schorn, 100 feet.

JUNE 11 IS SET FOR RECESS IN CONGRESS

Senate and House Must Complete Work Before Vacation Is Taken

WASHINGTON, May 28.—The special session of congress which President Hoover called to handle the farm and tariff problems will be recessed from June 11 to Sept. 1 under a tentative program agreed to today by administration leaders.

The senate and house however will have to complete a certain portion of their legislative program before the recess is taken. The control over farm relief may prove a stumbling block as the administration has decreed the agricultural measure must be enacted into law before congress can take a vacation.

On the other hand, if the program is completed sooner, the recess may start even as early as next Tuesday, June 4.

The program laid down by administration leaders is as follows: Tariff bill—Passage by house this afternoon, reference to senate finance committee tomorrow.

Farm bill—An agreement between house and senate conferees on farm relief by end of week with both senate and house approving a bill, with the export certificate plan eliminated, early next week.

Cases and Reorganization bill—Passage by senate Wednesday or Thursday; passage by house by next Monday.

Report of National origins act—A possible vote early next week in senate; action in house prior to recess.

PLANES COMPLETED

AKRON, May 28.—Completion of its new fleet of eight cabin monoplane was announced today by the General Tire and Rubber Co. The planes were built by the General Aircraft Corp. at Buffalo, and are to be delivered within a week.

ASKS FOR FLOWERS

Wanted for Decoration of Graves Here on Memorial Day

Due to the unusual scarcity of flowers this year, E. R. Miller in charge of the flower girls committee for Memorial day services here has issued a plea for donation of flowers to be used in the decoration of graves. May 31 residents are urged to bring flowers to the office of Sheriff J. J. Francis on Thursday morning between 7 and 12 o'clock where they will be posted to take calls and go out after flowers. Approximately 200 baskets are to be filled.

RUNWAYS AND HANGAR GIVEN CITY APPROVAL

Note Issue of \$12,000 Authorized To Care for Airport Improvements

INCLUDE TILE DRAINS

Weather Conditions Delay Work at Field, Some Grading Needed

Notes totaling \$12,000 for the improvement of the municipal airport were authorized by city council last night. The amount is to cover the cost of a hangar, construction of runways and the lines.

Recommendation that this action be taken was made by the airport committee after investigating the cost of various improvement plans. The bond issue in anticipation of which the notes are to be issued will amount to \$1,000,000, including last month's six months' interest.

John H. Hargis, in furtherance of a program of airport city council authorized O. A. Hargis, director of public service to advertise for bids for waterfalls and labor for a hangar. The proposed dimensions of the hangar will be approximately 100 by 80 feet, believed to be capable of housing four planes. The hangar is to be between 11 and 15 feet high.

Runways and a system of tile drains for the field would practically complete the work now outlined for the airport. Some grading will be necessary, officials say, but this will not be expensive.

Runways having a width of about 60 feet and laid out in the form of an X have been planned extending from the northwest to the southeast and from the northeast to the southwest.

9 MINERS KILLED IN ALABAMA EXPLOSION

Two Seriously Injured and May Not Recover, One Escapes

BIRMINGHAM, Ala. May 28.—Nine miners were killed and two others were seriously injured and may not recover as a result of a mine explosion near here yesterday. It was reported today.

The last of the nine dead was removed from the debris at the mine at 6 a. m. today. Two of the dead were negroes. Only 12 men were in the workings officials said. One escaped unharmed.

The blast occurred in the third level at the Yolanda Colliery Co. mine and Coke Corp. mine near here yesterday afternoon. Rescue crews called throughout the night to rescue the captured men.

The federal and state bureau of mines are investigating the cause of the blast. Less than two hours before it was rocked by the terrific explosion, a much larger shift had halted work for the day at 3:30 p. m.

\$7,100 FOR COUNTY FROM FAG LICENSES

138 Persons and Stores File Applications To Sell Cigarettes

The sale of cigarette licenses will bring an income of \$7,100 to Marion county this year, it was stated today by County Auditor Earl E. Thomas. Licenses for 1928 expired yesterday. When the auditor completed a check of applications for 1929 licenses, 138 were on file.

There are 102 cigarette retailers and two wholesalers of cigarettes in the city. The license fee is \$700 for wholesalers and \$600 for retailers. The number of retailers in the city decreased two since last year.

In the incorporated villages and townships of the county there are 99 retailers, an increase of 10 since 1928. The retailers outside the city are distributed as follows: Columbus, four; Green Camp, three; Wadley, three; Grand Prairie, two; Montgomery, two; each; Agona, two; Big Island, two; Pleasant, two; Scott, two; and Tully, one.

TAXES DUE JUNE 20

June taxes may be paid at any time, it was stated today by officials of the county treasurer's office. Every tax bill in the county has been filed in the office and is ready for payment. Taxes are due June 20.

INTENSE OHIO HEAT CLAIMS THREE LIVES

Temperature Reaches Highest Mark of Season, 85 Degrees, Here

SHOWERS FORECAST

Memorial Day Weather To Be Fair, Belief of Forecaster

By International News Service. This continued to swell in abnormally unusually high temperatures today.

Two deaths occurred in the Buckeye state yesterday, a victim of the intense heat wave which sent the mercury up to 85 degrees.

Benjamin Wallingford, 77, dropped dead at Wilmington, and Joseph M. Mulla, 71, inmate of the Portage county home succumbed while walking along a road near Bayview, thereby recording the first heat prostration of the year.

The other violent death may be directly attributed to the heat wave. Private First Draper, a member of Company G, 10th Infantry, stationed at Fort Thomas, Ky., was drowned in the Scioto river, near Cincinnati, when he and three other rookies sought relief from the high temperature by bathing.

85 Degrees Highest. The 85 degree mark returned yesterday was the highest in 1929.

Weatherman W. H. Alexander at

TEMPERATURE AT 85 DEGREES HERE

Yesterday Marion experienced the warmest day of this summer, according to the report from the local weather bureau this morning. The thermometer rose to 85 degrees and the people began shedding coats and hats and thinking about getting out the lawn mowers. Last year at this time the high mark was around 80. The low mark yesterday was 60 degrees.

Columbus declared the mercury would climb to that height again today. It stood at 75 degrees shortly before noon today and was climbing.

Showers To Help. Showers will alleviate the heat somewhat in the late afternoon, said Alexander.

The outlook for Memorial Day, the day which will be clear and the temperatures will be around 80, stated the Columbus observer.

Charles Wargo, a worker at a Columbus glass Co. was overcome by the heat and was taken to Mercy hospital. His condition is not serious.

MOTHER KILLS THREE CHILDREN AND SELF

Roomer Discovers Bodies in Gas Filled Kitchen of Home

MARTINSBURG, W. Va. May 28.—A triple murder and suicide were brought to light this morning when John Manfred's home here was broken open by a boarder who became suspicious of the silence in the build.

The bodies of Mrs. Clara Manfred, and her three young children, were found stretched out on the floor of a gas-filled summer kitchen. All were dead.

Investigation disclosed Mrs. Manfred had carried the children from their sleeping rooms on the second floor to the summer kitchen and had opened all the burners of the gas stove.

Previously she had sealed all the doors and windows of the room. Apparently the children died while sleeping.

Seek 200-Pound Woman in Holdup at Columbus

COLUMBUS, May 28.—A 200-pound negro woman, who, according to a police report, knocked Harry Thompson unconscious and stole his money, was being sought by authorities here.

Other numerous "miser" robberies, two of which brought the robber a total of \$400, were also reported. Known Rayburn, a young colored boy, was robbed of \$25.50 by four negroes as he was returning from a candy store, near last night. The money was the change from a \$10-bill, with which he had purchased some ice cream.

GRAINS DECLINE ON WINDY CITY MARKET

Bond Market Under Selling Pressure: Prices Continue To Drop

BEARS HIT TRADERS

Atchison and Erie Leaders in Railroad Group; Chrysler Down

NEW YORK, May 28—Of the three principal markets that have been under depression in the last week or two, only one, the stock market, made any definite progress along the high road of recovery today, and only in a few of the outstanding strong staples was any of the lost ground recovered.

In the Chicago Board of Trade, May wheat dropped to 97 1/4 cents a bushel the lowest in 14 years, giving the bears in the stock market another excuse for a drive against the stocks held by speculators in the middle west. The bond market was still under selling pressure, the best grade of American government and corporation issues sinking slightly under yesterday's low prices, the convertibles and speculative rails dropping off to near the low levels of the year.

With call money leaning at 6 per cent and time money a little easier, Wall Street decried the presence of the inevitable bargain hunter, buying stocks of the motor car, steel and other industrial companies which have fallen from 25 to 45 per cent in the last week or two. This movement was sufficient to cause an advance of two to three points in various parts of the list, but the movement was by no means uniform.

Chrysler, in the motor group, sold off about two points at 7 1/4, while General Motors and Packard recovered a part of yesterday's losses.

Atchison and Erie were again the leaders in the railroad group, Atchison moving up six points to 10 and Erie a point to 10 1/2. New York Central, Missouri Pacific, Frisco, Pennsylvania and Union Pacific were in good demand from the start, and New Haven moved up two points to 95 1/2.

There was a good demand for General Motors at the low prices prevailing today, which are approximately 22 points below the high of the year. All sections of General Motors' giant production plants are operating at a high rate and official reports indicate a large increase in demand for cars, from the high-priced Cadillacs to the new six-cylinder Chevrolts.

Marriage of Lindy and Anne Takes Englewood by Surprise

Simple Ceremony Forms Subject for Gossip in Small New Jersey Town

Residents Gratified Over Fact That Event Took Place in Morrow Home; Take Civic Pride Over Making of Wedding Gown by Hometown Seamstress

ENGLEWOOD, N. J., May 25.—The wedding of Col. Charles A. Lindbergh to Anne Morrow here took place this morning at 11 o'clock in the home of the bride's father, Mr. Morrow, a prominent citizen of Englewood. The ceremony was simple and quiet, and the guests were few. The bride wore a gown made by a local seamstress, and the ceremony was held in the home of the bride's father, Mr. Morrow, a prominent citizen of Englewood.

since they were little tots. Miss Smith at the time of the wedding was utterly oblivious of the prominence given her part in the wedding. Preparations for the wedding were made in a quiet and unobtrusive manner. The bride's gown was made by a local seamstress, and the ceremony was held in the home of the bride's father, Mr. Morrow, a prominent citizen of Englewood.

Homework lingered over their purchase of the groceries this morning to talk with storekeepers. Neighbors discussed the marriage over the back yard fence while motorists shouted across the street to pedestrians. Well, I see that Anne Morrow married Lindy here yesterday was Englewood's standard greeting this morning.

Well now about that fine was the typical response. That the wedding took place in the Morrow home here was a source of particular gratification to local residents. Some had been piqued when reports were spread that the ceremony might take place at North Haven. The Morrow home here is a summer estate or at Quakerdam, the ambassador's mountain retreat in Mexico.

But that the wedding was to take place so suddenly—and in such a simple fashion, too—was a complete surprise to Englewood. The local town folk had heard all manner of tales regarding the grand ceremony that would take place at the wedding. Lindbergh had ordered a dozen dress suits. Anne was being outfitted with a gorgeous trousseau.

Full candlesticks were being made in New York, a thousand invitations had been ordered and flowers were being rushed from Pennsylvania. Such were the reports being circulated and Englewood was properly awed. Such grandeur was not for it.

When details of the simple ceremony became public Englewood felt a gratified smile with the air of those completely vindicated. The simple wedding was in keeping with the simple life of these people who choose to live in rural New Jersey across the Hudson from the bustle and bustle of New York.

Furthermore, Englewood took a deep civic pride in the fact that Anne's wedding gown was a home town product. It had been fashioned by the nimble fingers of Miss Mary Smith, the town's leading dressmaker who has sewed for the Morrow girls

FATHER-IN-LAW JOB DIFFICULT

WASHINGTON, May 25.—The job of being an ambassador is as easy compared with the job of being a father-in-law. This was the only comment that Dwight L. Morrow would make here today about the marriage of his daughter Anne and Col. Charles A. Lindbergh last night.

The distress of having the wedding extremely quiet and private was pleasing to both the ambassador and Mrs. Morrow. He desired to avoid the ostentation of a formal wedding, as much as did their son-in-law and daughter.

watched the romance of the bride and the daughter of America's ambassador to this country with a great deal of interest. More is expected that Colonel and Mrs. Lindbergh may elect to visit Mexico as it is recalled their meeting and courtship took place in this country. Many believe that the honeymoon will make a visit by plane to Mexico, and perhaps spend some time at Cuernavaca near Mexico City where Lindbergh did most of his courting.

The first intimation former President Calles received of the marriage was when newspapermen advised his secretary. It had previously been reported that Calles might be present at the wedding.

shot 10 times and a German man who fled from the scene is believed to be seen in the crowd today. Jacobs was killed almost instantly and the driver of his large touring car, said to be Joe Robert, was known to have been shot several times in a running machine gun battle near here.

At least 25 shots were fired and nearby residents who heard the shooting declared that it took place in the area of a few seconds.

Following the shooting, they believed the shooting to be a reprisal for the death of George Murphy alleged St. Louis and Cincinnati gangster and former hotel clerk here advanced another theory.

The liquor racket was the second explanation in both may be applied together as Murphy was said to have been shot and killed as a result of a liquor war.

Posed as Dry Agents
Police charge that gangsters posing as federal prohibition agents have been extorting money from liquor violators.

They are known to have operated in Newport Ky. and Cincinnati and have fleeced at least \$1,000 from Robert Smith Hamilton. He said that several men posing as federal raiders had come and then threatened to turn him over to authorities unless he gave them \$12,000.

Smith had just that sum of money in a Cincinnati suburban bank and the fact that the gangsters knew this had also been stated that the gang is well organized.

The story of the shooting as reconstructed by police today follows:
A large touring car in which Jacobs and Zwick were riding sped out of Hamilton closely followed by an other large auto.

When they reached a secluded spot the second machine gunned the machine gun on Jacobs car and fired a round of ammunition.

Hit By 16 Bullets
Sixteen of the bullets lodged in Jacobs body and several are known to have struck Zwick.
The second auto sped on, Zwick abandoning his car and commencing the auto of Miss Blanche Huffman and forced the woman to take him in a spot a short distance from the city limits.

He then staggered into the Midland drug and told guests there that a band of murderers were after him. He was bleeding badly in several places.

After staying there a short time he left and his movements have not been traced.

Guests at the tavern made no effort to detain him.

Class Song of Harding High Seniors Sounds Note of Lifelong Friendship

W hat of Harding High school reverberating to the seniors' class song last night as the graduates gathered to learn the words to which they will express a lasting friendship with the dear old school when they have departed. The song is "The Class Song of 1929".

Words of Song
Below is the song with its title
Class Song of 1929
We're the Hardings of '29
And it's for you our school
We're come together
To praise you ever

Thought that even though years might
pass the class of '29 would ever stick
together in the fond memories of high
school days.
The words of the song were com-
posed by Miss Jane Guthrie and set
to the music of "The Ranger Song"
from Rio Rita, a popular musical
comedy of the season. Last night
Miss Jane Smith added text to the
song with her snappy variations at
the piano.

Chorus
We're all pals together
Comrades today and forever
As years roll by in all we do
Twenty-nine will ere ring true
Through rain or sunshine
Though part we must from Harding
We'll treasure memories true
And when we're on our own
We'll not be alone for
We belong to the class of 1929
To the purple and the gold we sing
Hail class of '29
We'll stick together
And we'll fall never
Through knowledge gained from near
and far
We'll hitch our wagon to a star
And call it Harding
From whom we're parting
We'll bear your standards worthy
And we trust we shall prove true
To all the splendid ideals that we
have gained from you

MOOSE TO MOVE TO OWN HOME JUNE 21

New Quarters Will Be on East
Center St. Plans Are
Made
Marion Lodge No. 889 Local
Order of Moose met last night at its
clubrooms in East Church St.
Plans were discussed and completed
for the moving of the clubrooms to
the lodge's own home property in East
Center St. over the office of Dr. James
W. McMurray. The change will be
made June 21.

This property is owned and under
the control of the lodge and is free of
all incumbrances. It was purchased
about 10 years ago when the lodge
was first organized and the first pay-
ment was made from the proceeds of
a council meeting held at that time.
The new clubrooms are much larger
and will make better quarters for
large meetings.

TRIAL IS SET

Former Teacher Faces New Fight
for Freedom June 21
YOUNGSTOWN May 28.—The
jury trial for Ruth Laverne, former
school teacher now serving a life sen-
tence for burglary, will open in com-
mon pleas court here June 21.

Upon application of Ben Sharon
of Cleveland, Ruth's attorney, Judge
David Jenkins today set the date for
the girl's trial. She probably will be
brought here from the Marietta Re-
formatory, where she is a prisoner, on

Council Grants C. D. & M. High Tension Rights

An ordinance was passed by city
council last night granting the C. D.
& M. Electric Co. the right to con-
struct and maintain high tension lines
on city owned property west of
Marion on a consideration of \$100 to
be paid by the electric company. The
proposed high tension line would run
between the property owned by Maui
and Byron Wilson to a point 200 feet
east of the Hornell Ice plant. This is
on the north edge of the disposal plant
farm between the plant and Erie rail
road tracks and is approximately a
quarter of a mile in length.

COUNCIL AUTHORIZES NOTE, BOND ISSUES

Total is \$121,424 for City's Portion in Several Street Improvement Projects

City council authorizing note and bond issues totaling \$121,424.14, for the city and property owners' portion of street improvement projects now under way, were adopted by city council last night.

**SEDAN AND
COUPE GLASS
MALO BROS.**

By far the most expensive of the improvements now planned is the resurfacing of East Center st. from the west side of Main st. to Baker st., including widening from High st. to Baker st. and the construction of sanitary and storm water sewers on Center st. between Main st. and Baker st. Last night's issues set the total expense of the city on this job at \$37,635.81 and the shutting landowners' share at \$32,974.19.

Home st., from Indiana av. to a point 275 feet south of Church st., will be improved by sanitary and storm water sewers, if the issues are carried through, the city to pay \$63.22 and the landowners, \$2,569.66.

Issues for sidewalks on the west side of Nye st. from Browne av. to the first alley south, and on the east side of Forest Lawn hld. from Center st. to Church st. were authorized. The total to be paid on these two jobs by the city is \$94.39; the land-

owners' portion on the two is \$861.96.

Paving of Chicago av. from Center st. to the north terminus is to be financed by notes totalling \$27,172.88. Of this amount \$26,105 is to be paid by the landowners.

Paving of Lake st. from Prospect st. to the east terminus and Waples av. from Lake st. to the south terminus is to be provided in issues totalling \$12,121.48. Property owners are to pay \$9,536.45 of this.

Ask Property Be Put in Residence District

A petition that their property be detached from the commercial district and placed in the residence district was filed with city council last night by property owners located west of Greenwood st. and east of Sharpless av. on Center st. The petition was referred to the city planning commission, with a revised petition to the commission attached.

Earle F. Hammond Carries Six Huskies on His Lecture Tour

Earle F. Hammond, of Fairbanks, Alaska, was a guest of the city of Marion today. Hammond has been engaged in archaeological research in Alaska and Siberia for the past six years. With him, in a specially built conveyance representing an Alaskan igloo, were six huskies, four of which were a part of a team of 21 he drives in his home country. Three of the dogs were brought out of northern Siberia in 1925, two Alaskan dogs and one was a Canadian dog.

In 1926-27, Hammond said he went ahead of the Sir George Hubert Wilkins expedition into Alaska, establishing a base for the party, and a landing field for the airplane. For the last nine months he has been lecturing in schools and colleges of the United States. He will return to Fairbanks in June.

ELECTION JUNE 3

Odd Fellows Will Select Heads at Next Meeting

Kosciuszko Lodge No. 30, Odd Fellows, held its regular meeting in the lodge rooms last night. Routine business was transacted at which time the second nomination for officers was opened. The election date was set for Monday, June 3, and a committee was appointed to supervise the refreshments after the meeting. Members of this committee are: Fred B. Bacon, Charles Chapman and William Phelps. The second degree was conferred on

a class of candidates and one application was acted upon.

An invitation was issued to the Caledonia Lodge No. 250 to confer the third degree on a class next Monday night. Business discussion closed the meeting.

City Approves Glasener's Building of Sidewalks

Construction of three sections of sidewalk by Stewart Glasener was authorized by city council last night, acting on a petition presented by Mr. Glasener. The work is to be done entirely at his expense and under the supervision of the city engineer.

The sidewalks Mr. Glasener plans to build are located on the east side

of Summit st. from Fairhaven av. to Lark st.; on the west side of Limestone av. from Wilson av. to the north side of 1st number 1728; on the north side of Wilson av. from Boone av. to the alley between Boone av. and Johnson st.

Don't Squeeze Blackheads
—Dissolve Them
Squeezing out blackheads makes large, ugly pores. The safe and sure way to get rid of these blemishes is to dissolve them. Get two ounces of Freckles powder from your drug store, sprinkle a little on a hot, wet cloth, rub over the blackheads, and every one, big or little, will disappear at once.—Advt.

Social Activities

THE approach of the month of June is bringing about two changes in Marion society. Weddings are being planned and announced, and clubs are closing their season of meetings with picnics and delightful social affairs.

With the end of May, many of the clubs have appointed their committees for the next year and these groups are planning now for the 1929-30 season. Mrs. W. N. Harder, state president of the Ohio Federation of Women's clubs, is attending the national meeting in Massachusetts this week.

Named President of M. E. Society
Miss Helen French was chosen president of the Queen Esther society of Epworth M. E. church when it met last night with Miss Harriet Schieffler, Cherry st. Miss Schieffler was assisted as hostess by Miss Evelyn Kinsell, vice president, Miss Hazel Ebbings, secretary, Miss Jeanette Evans, treasurer, Miss Mary Ann Gault, corresponding secretary and Miss Louise Adams was in charge of the devotional service. Plans were made to attend a district rally at LaTua, June 12. Refreshments were served by the hostesses. The meeting last night closed the meetings this season.

Virginia Day
Miss Virginia Day was hostess to the Virginia Day class of Calvary Evangelical church last night at her home, 574 Cherry st.

During the business meeting plans were made for a hike Saturday, June 8, and an invitation was issued to all girls of the Calvary church. Plans were also made for a picnic June 20 in honor of the members' mothers. In a joint discussion the name of the class was changed to "Upstream Class" and the motto adopted was "Falling Instead of Drifting." Class plans were chosen.

The remaining time was spent in games in which Miss Velma A. Schaeffer won first prize. A 6:00 o'clock dinner was served by the hostess.

Those present were: Misses Esther Rutherford, Dorcas Livingston, Martha Graham, Ruth Zachman, Hazel Gibson, Mary Goodman, Velma Schaeffer and two visitors, Margaret Nye and Betty Caldwell.

If I Were
A Man

I WOULDN'T try out every girl I met to see how far she'd let me go.

I wouldn't start every new acquaintance with the single, solitary purpose of getting away with as much as I possibly could without being created.

I wouldn't make veiled remarks that could be interpreted as if I felt so inclined and keep lightly touching her hand or her knee or her arm, as if by accident, to see whether or not she was going to object.

Instead of depending on her to supply the ideals and set the pace I was to follow I'd have a few ideals of my own. And I'd try to live up to them of my own accord instead of waiting until I'd been slapped in the face.

A girl who doesn't care has ways of letting a man know. Until she did, I'd give her the benefit of the doubt. A girl gets tired of demonstrating her decency all the time. She likes to have it taken for granted occasionally.

If I Were
A Girl

I WOULDN'T order the family act.

I'd rely on my own charms, instead of bringing family pressure to bear. I'd wait until the boy friend showed he wanted to be one of the family, before I invited him around to dinner to meet Aunt Sophie, Uncle Dan and Cousin Mattie.

I wouldn't drag him around to Aunt Mary's for Sunday dinner, or suggest on the way home from the movies that we drop in and call on Uncle Jim. When he came to see me, I wouldn't call in papa and wanna to help me entertain him.

No man wants to be clutched to the bosom of a girl's family, until he's good and ready, and if he has any sense, he's going to take to his heels and make a permanent departure when he finds himself being roped into matrimony by that old dame. After all, girls ought to remember that when a man's intentions are matrimonial, he doesn't need any family pressure to bring him to the point.

Many a man has married a girl in spite of her family—not because of it.

Meditations
OF A
Married
Woman

BY HELEN ROWLAND

Amour Souffle
SOME husbands are like gusts of wind, not a bit of use in the world except to show off to other women.

The heart of a confirmed flirt is like a punching bag; it is easily started "going," but impossible to make any lasting impression upon it.

Every now and then, just as you have decided that the writing of love letters, like blacksmithing, is one of the lost arts, some of those "Daddy-loves-Baby-Doll" letters get into the newspapers, and you realize that dear old human nature is running right along on the same tracks.

One of the crosses of a man's life is a woman's passion for "smoking," when a girl pours her heart out to him, he feels as though somebody had spilled a plate of hot soup down his back.

Lots of advice in this world is superfluous. Most men "don't reach for a sweet," these days. They just roll back and wait for "sweetie" to reach for them.

All the girls in the senior class of a Southern college admit that they hope and expect to marry. Apparently, pursuing a higher education is no longer incompatible with pursuing a husband; in fact, it's the most popular way.

A woman can forgive a man for almost anything—except for not giving her anything to forgive him for.

It's a wise man who takes time to put out the fire, before he throws aside a cigaret—or a woman.

A woman never knows what killed her unless she knows what killed her cousin, she is only aware that it "went dead" all of a sudden.

As long as Satan can make a woman believe that she can reform a rake and turn a playboy into a one-woman man, the ladies will keep His Majesty's business running.

Older Women Chief Buyers
of Cosmetics, Expert Says

OLDER women are buying more cosmetics today than ever before, according to Miss Kathleen Woodward, nationally known expert on beauty culture, who is at the Chas. Phillips Co. store this week.

"The chief buyer of cosmetics today is the woman of 30 or over. Five years ago it was the younger women and the young girl in her twenties who were chiefly interested in beauty aids," Miss Woodward said today.

Miss Woodward has traveled extensively throughout the country in the course of her work, and she bases her conclusions on her first-hand observation.

There are more than 100 different cities and towns as well as on her experience in New York City.

"Younger women and girls, of course, are a large part of the beauty clientele," Miss Woodward said, "but their interest is mainly in the cleansing treatment. They realize that the woman of today does not postpone her beauty treatments until her beauty first shows symptoms of wanting, but gives her skin adequate care to preserve as long as possible, the freshness of youth."

"Many a middle-aged woman who has never entered a beauty shop, however, feels that it is too late to begin. Or she may not know what treatment she needs and uses preparations which are unsuited to her or applies them wrongly," Miss Woodward continued. "When she gets unsatisfactory results, she becomes discouraged. She resigns herself to 'being her age.' Actually, a woman can be any age she wishes to be. With facial and tissue building treatments, developed to such a high point of science as they are today, the skin of a woman of 30 can be as soft and smooth as her skin at 20."

Delaware Attorney Will Deliver Memorial Day Address; Band To Play

RADNOR, May 28—Attorney Burne Jones, of Delaware, will deliver the Memorial Day address at the services to be held at 2 o'clock in the town hall. Music for the service will be furnished by members of the Troy band and a double quartet composed of Mrs. Gervon Thomas, Mrs. Mary Redman, Mrs. Mary Jones, Mrs. Elsie Quillen, D. H. Thomas, E. T. Jones, Fred Jones and E. J. Jones.

The salute will be fired by members of Co. K, of Delaware, and arrangements for the flowers to be used in decorating the graves are in charge of Charles Rodman. The flowers will be cared for in the basement of the town hall.

If the children play hard enough, they won't need a bedtime story. They're asleep before you can start.

That's the way Rice Krispies sound when you pour on milk or cream. The crispiest cereal ever made!

Rice Krispies are toasted rice grains. Golden-brown. Delicious for breakfast, lunch or supper. Add fruit or honey for an extra treat. Your grocer has Rice Krispies. Oven-fresh in the red-and-green package. Made by Kellogg in Battle Creek.

Miss Mary Pennock
Given O. W. U. Honor

Miss Mary Pennock, 200 Lincoln av., was recently initiated into the Ohio Wesleyan chapter of Mortar Board, national honorary society for senior college women, according to announcement received today from the university. Miss Pennock was included among the 14 alumnae who were honored with membership.

Ohio Wesleyan alumnae initiated were, as undergraduates, members of the Women's Booster club at the university. The club was recently installed as a chapter of the national society.

Mrs. Wonder's Son Is Returned to Pastorate
The Rev. O. D. Wonder, son of Mrs. D. H. Wonder, 233 South Grand av., has been returned to First Evangelical church of San Francisco, Cal., according to a letter received here by his mother. The Rev. Mr. Wonder has been attending the annual conference of the Evangelical denomination at San Diego, Cal., this week.

The Rev. Mr. Wonder and family spent their first six years in San Diego, where he was pastor of the Evangelical church. Their children, Donald and Betty, graduated from the San Diego high school during last time.

Tea Precedes Meeting of Marion Shrine, No. 15
A 6 o'clock tea at Masonic Temple last night served by the women of Marion Shrine No. 15, Order of White Shrine of Jerusalem, to those affiliated in Masonic work, preceded a business meeting of the shrine. The tea tables were decorated in colorful spring flowers. About 30 were seated.

Announcement was made of a rehearsal June 6 in preparation for a ceremonial June 24. Several petitions for membership were received and for petitions balloted on. A meeting will be held June 10.

WITH THE STAR STAFF

Summer Appetites

A summer can begin to beat on up-town Marion, unabated by trees, uncooled by lake breezes, but cruelly exposed to the heat, the appetites of business men and employees begin to wane. Feed tea and ice cold milk has already won favor over coffee and restaurants report. Fruits and fresh green vegetables are replacing the heavier lunch foods, and the restaurants men say Marion nearly lives off oranges for breakfast.

Lunch usually consists of a sandwich, light and often toasted, a salad and a glass of feed tea. The diners are by far the largest. Most of the day, they say, as it is not only cooler, but there is seldom any premium on time in the evening, and patrons are in no hurry.

Orders for large steaks with an array of side-dishes are now giving away to lighter foods. Among the more popular now are strawberry shortcake, watermelon, salads, fresh vegetables, and feed tea.

Joins Audience

FOR the first time since she has been directing plays at Harding High school, Miss Lucille Foreman witnessed her play from the audience last Thursday night at the opening performance of "The Queen's Husband." Going to the back of the theater to see the effective picture of the bride's maids when they entered the stage, Miss Foreman stayed through until the conclusion of the play. Later, she said that it was the first of her plays that she has ever seen except from the wings of the theater.

Aid to Matrimony

THAT restaurant atmosphere is conducive to matrimony is clearly seen in the fact that 16 employees of the Midway restaurant have been married within the last five years. The Midway's record as a marriage bureau is thought to be unequalled here.

The number was swelled to 11 yesterday when Miss Wilma Hirsch became the bride of Theodore Moran, of the King Lumber Co. On Sunday, Miss Eva Zick, a waitress, was married to Harold Stout of Chicago, a former Marion resident.

Move To Reconsider Bill To Transfer City Funds

A motion to reconsider an ordinance which effected the transfer of \$700 in various city funds was adopted by city council last night when the ordinance was submitted for vote. The ordinance was referred to the finance committee.

The ordinance authorized the transfer of \$200 from the item for road oil in the street repair account of the service fund to the item of public buildings and lands, to be used for water rentals at the city lot, and \$200 from the item of equipment and \$300 from the payroll of laborers to the item of auto repair in the garage collection account of the service fund.

PICNIC PROGRAM

Junior High Club Arranges for Outing at Hepburn

Members of the Cash Torch club, a Central Junior High school branch of the H-Y club, will give a picnic Wednesday night at Camp Robert Usher, Hepburn. The club and its guests, Raymond J. Fletcher, of The Star, W. E. Grant, principal of the high school and C. Carl May, boys' work secretary of the Y. M. C. A., will leave Marion about 1 o'clock. A steak fry will precede a talk by Mr. Fletcher, on "Up in the Air." L. E. Williams, sponsor of the club, will accompany the boys and their guests.

Soaring Eagle Plane Leads School Rivals

The Soaring Eagle plane, with pupils of Cecil Galt's room as passengers, was six miles ahead of the nearest plane, the Question Mark, also carrying pupils of Miss Galt's room, at the end of the first day of the "race around the world" spelling contest between the seventh, eighth and ninth grade English classes of Central Junior High school. The Soaring Eagle had gone 4,850 miles, the Question Mark, 4,835 and the Zitz 3, the third in the race, 1,820 miles.

Note Plan for City Work Expected to Effect Saving

Purchase of a \$50,000 note issue by the Marion Building, Savings & Loan Co. under a plan worked out with Mayor Murphy and other city officials is expected to net a substantial saving to the city in connection with the construction of several streets and sewer jobs this year.

Under the new system of selling notes to the local company, money used on the construction jobs is not removed from the vault until needed and consequently no interest is paid until the money is spent.

Hitherto the estimated cost of any

construction job was covered in a lump bond issue and the city was obliged to pay interest on the entire amount from the time the issue was sold. Under the terms of the \$50,000 note recently taken up by the city, the city is not obliged to pay interest on the entire amount until the money is in the bank only drawing it in amounts sufficient to carry over a month's work.

The \$50,000 note recently taken up by the city company covers the

estimated expense of constructing new sewers in West Center at from Oak at to Main at, resurfacing West Center at from Oak at to Main at, resurfacing Homer at from Center at to Church at, resurfacing Pennsylvania at from Center at to Church at, constructing a sewer in Elm Heights on King at Park at, and Main at.

The bonds that are to be issued at the completion of this work will be in the form of 10-year improvement bonds drawing interest at the rate of 12 per cent per annum. Plans for the issuance of these bonds will be completed before the improvement work is finished and once the bonds are issued the notes at the loan company will be immediately taken up.

THREE COMMUNITIES UNITE IN SERVICES

Marion Minister and Boy Scouts in Grand Prairie Program

More than 600 persons from three Marion county communities took part in the annual memorial services conducted at Grand Prairie cemetery at Brush Ridge Sunday afternoon.

A parade from the home of B. A. Nell to the cemetery was a feature of the afternoon ceremonies. The parade was headed by the Grand Prairie township band, followed by Marion Group 3 Boy Scouts of America and a group of soldiers from Upper Sandusky. A flower girls and flag boys completed the parade to the cemetery.

The address of the afternoon was given by the Rev. L. A. Wood of the Trinity Baptist church of Marion, who chose "National Memorial" as his topic. Music and other numbers of the program were in keeping with Memorial day services.

The Grand Prairie Band played several numbers during the afternoon. The Boy Scout troop gave a demonstration, reciting the oath and the oath of allegiance to the flag. A salute was fired by a corps of soldiers.

The three communities taking part in the services were Grand Prairie, Mural and Wyandot.

NOW absolute moth immunity for costly possessions!

No longer need you risk uncertain or short-lived moth-proofing methods. A remarkable new product, Hoover Konate, offers you sure immunity, lasting immunity against moth damage.

Developed at the Mellon Institute, tested and proved to give absolute protection against moths for five years—and in all probability for all time—Hoover Konate insures complete freedom from moth damage for all your costly upholstered furniture, expensive furnishings, valuable clothing.

You simply spray it on. Moths that it comes in contact with are killed. Moths deposited later cannot feed—starve to death. Its wonderful penetration makes Hoover Konate reach every inch of the fabric. Its tenacious clinging makes the protection lasting. Ask your Department, Furniture, Drug or Hardware Store about this amazing new product.

CIRCUS PLANS WELCOME FOR YOUNGSTERS

Here's a group of youngsters fraternizing with some of the Correll circus clowns. The Correll attraction will appear here next Monday under the auspices of Kadgar Grotto.

NOTHING so appeals to the youngster's heart as a real, honest-to-goodness circus and many of Marion's future citizens are looking forward with great anticipation to next Monday when Correll's circus hits town to pitch its tents under the auspices of Kadgar Grotto.

No doubt there will be the usual number of small boys trying to sneak in under the side walls when they think they are not being watched but

in order to assure some of the brightest lads a visit to this attraction, the circus committee has arranged to distribute a number of tickets absolutely free of cost if they are smart enough to qualify. The offer will extend also to the girls, and no doubt a large percentage of the complimentary tickets will go their way, but girls as a rule are not given to creeping under circus tents and it is the boys with a conscience, prodded by a burning desire to see the show for nothing, that this offer will have a great appeal.

There will be 75 tickets handed to Marion boys and girls admitting them to either of the two performances and all that is necessary to

secure one, is to write a brief letter setting forth reasons for liking this form of amusement. There are many reasons, of course, and no live youngster will run short of ideas on that score, but variety and novelty will count greatly in their favor. The essay should not exceed 100 words and should be neatly written or typewritten on one side of the paper. The name and address should be placed at the top of each sheet, and the finished composition, mailed to Ralph Williamson, Chairman Circus Committee, Room 18, Citizens' Bank Bldg.

The winning essays will be decided on their merits alone and neatness,

brevity and novelty will be the deciding factors.

ATTEND CONFERENCE

Gallon Residents Leave for Lutheran Meeting

GALLON, May 28.—Rev. O. C. Kramer and Mr. T. M. Gleason left yesterday to attend the Central District Conference of the United Lutheran Synod of Ohio which is being

held at the Jerusalem United Lutheran church at Acme, Ohio, near Wadsworth. This is the ninth convention of the Central Conference. The meeting opened yesterday with discussion and talks on the relationship between the church and the Sunday school and the importance of week-day and vacation Bible school. Rev. R. S. Bowers, D.D., of Bucyrus, president of the conference, delivered the conference sermon, and Rev. A. C. Kramer of this city took part in the

program among other speakers of the Central District. A fellowship banquet will be held tonight and will be addressed by Rev. J. W. Kapp, D.D., of Cincinnati, and Rev. A. M. Blives of Plymouth. The banquet will bring the conference to a close.

No washboard or wringer ... no brushes ... and yet

These are the huge bubble towers, in which Sohio is twice bubbled through ten layers of oil to remove all foreign substances.

SOHIO is scrubbed 20 times to make it ABSOLUTELY CLEAN

WTAM.....WLW
The SOHIOANS—every
Tuesday night, commencing
at half-past seven.

TRY THIS NEW GASOLINE

- 1 Put it in a car that knocks
- 2 Use it in high-compression motors
- 3 Check your mileage
- 4 Test it for power on hills
- 5 Watch your oil dilution
- 6 Note its starting qualities

THINK of it—Sohio is scrubbed 20 times in one single process! It seems incredible, yet that is just what happens in the towers pictured above. In effect, they are giant wash tubs. For here every drop of Sohio is scrubbed clean of impurities.

Inside each tank are 10 steel shelves, each covered with a 3-inch layer of oil. While Sohio is still a vapor, it is bubbled up through layer after layer of this oil. Impurities and other undesirable elements in the vapor are collected and retained by the oil. Twice this process is repeated, and finally the vapor emerges clean and pure, ready to be condensed into Sohio gasoline.

Such extra quality safeguards as this, combined with most modern equipment, modern methods and intelligent human supervision, make Sohio unique among gasolines.

There IS a difference in gasoline. Go to a Red-White-and-Blue Standard service station or dealer pump anywhere in the state—today. Test Sohio in your own car, in your own way. Learn for yourself what this extra care means to the performance of your automobile!

The thrill of the flavor of
"Canada Dry" is like
the taste of a rare old wine

Just as the wines of France have their separate elusive and compelling perfumes . . . red . . . rich . . . dainty . . . or capricious, so is there a thrill, a subtlety, a finer, newer sensation to drinking this fine old ginger ale.

Its coolness is like a glimpse of pine trees through the snow. Its dryness is as refreshing as a mountain breeze. Its quality makes itself quietly felt. Its flavor has won the approving nod of connoisseurs.

Blended and balanced in exact proportions, this fine old ginger ale is carbonated by a secret process to give it zest and sparkle. The highest quality of Jamaica ginger enhances its flavor and makes it a real ginger ale. Give yourself the enjoyment of this better, finer, purer beverage. Order it today.

For Memorial Day
And whatever outing you plan over the holiday, take along "Canada Dry." Its keen vigor adds zest to the picnic. Its refreshing quality quenches your thirst. And remember that the Hostess Package of 12 bottles is a convenient way to carry it in your car.

ZUSPAN GIVEN POOR SUPPORT; LEE STREET NINE BEATS PRESBY

Lutheran-First Reformed Game Called on Account of "Rain"

CENTRAL CHRISTIANS sprang the big surprise party of the third round of the Second Sunday School ball league last night when they hammered Zuspans and his U. B. cohorts for nine runs while Art Amick was holding the losers' bats pennilessly. The final score was 9 to 3 although Zuspans was the victim of terrible support especially at third base.

A big first inning in which the winners tallied five runs on about three hits and a like number of errors proved the undoing of Mr. Zuspans. The United Brethren nine gathered their three runs in the fifth frame when they garnered the greater share of their bingles.

Lee Street favorites to top the league toge, kept up their victorious pace by noosing out the First Presbyterians 10 to 3 in a wild scintillating. Eight errors were committed in this game with the up-town Presbys being the greatest offenders with nine. Lee Street socked Perry and Walker for 13 safe singles but couldn't clinch the game until the fifth inning. Four runs in both the fourth and fifth innings were too much for the Messrs. Perry and Walker.

Forest Lawn dropped its third in a row to Asbury by a score of 7 to 1 at Lincoln park. Johnny Cook, hurling for Asbury, lured in the best mound performance of last night's schedule. Asbury won the game in the third inning when four runs came in.

Lutherans remained in a rather mythical tie for first place when their scheduled tilt with First Reformed was called off. Too much rain was given as the cause although the grounds seemed to be in fairly good shape.

Rumor Three Other Big Ten Schools to Meet Iowa's Fate; Griffith to Explain

IOWA CITY, May 22—Major John L. Griffith, "boss" of the Big Ten conference, was expected to arrive here today to explain in detail the charges on which the University of Iowa was expelled from the Western conference.

Meanwhile the air was thick with rumors that three other universities in the famous circuit are slated to meet the same fate as the Hawkeye institution. They are named as Northwestern, Indiana and Purdue, all of which are said to be as "guilty" as Iowa in the matter of recruiting and subsidizing athletes.

THESE reports are without official confirmation, but it has been learned from an authoritative source that the above named universities have been the subject of investigation by Big Ten officials. All three schools are said to be guilty of proselyting.

Just how far major Griffith's disclosures will go in the commissioner's attempt to pacify Iowa students and citizens of this warlike university town, was a matter of conjecture today.

BASEBALL STATISTICS

A BOLD, blustering, buccaner, stepped right out and trimmed the Cubs, 8 to 5, ending their losing streak of nine defeats.

The Phillies got back into the first division by two-lining the Braves, 2 to 1 and 3 to 1.

The rejuvenated White Sox also took both ends of their double bill with Detroit, 7 to 4 and 6 to 5, coming from behind to win both games.

The Cubs have won their last six games and are only half a game behind the league-leading Cubs this morning. They jumped to second place by routing St. Louis again, 10 to 1, for their sixth win in eight games with the champions this season.

The directors of the Cincinnati club, gave Manager Jack Hendricks a vote of confidence, whereupon the Reds stepped right out and trimmed the

BUD CRAM TO START BICYCLE ENDURANCE RACE WEDNESDAY

Marion Athlete Seeks To Shatter National Mark of 24 Hours

DONALD "BUD" CRAM, former hardy basketball star and bicycle rider, will make another attempt to set a new national bicycle endurance record at 5 o'clock Wednesday afternoon on the Vernon Heights Blvd. Cram, who will try to break the record of 24 hours, 15 minutes held by Richard Smith, of Washington, D. C., will be making his second attempt in as many years.

His first try ended after 13 hours of consecutive riding at Carey last July. Cram became exhausted with sleep and closed his eyes and came into contact with the street curb.

Cram will also be trying to set three new records in addition to the national endurance record. The other three records which he will try to set are:

Ohio bicycle endurance record. No record in existence.

Marion county endurance bicycle record. No record in existence.

Marion county non-stop bicycle record. No record in existence.

Cram has been in good training for the past month and says he is in good shape to break the record. The Marion Y-Indus club, which has been active in athletics since its organization last fall, is sponsoring Cram's marathon and one of its charter members, Harold Carroll is acting as Cram's manager.

Cram will use the Heights Blvd. alone for the race and headquarters will be established at the south end of the paved road.

Mayor Emory E. Murphy has been asked to officiate as starter and if nothing prevents he will be on hand.

F. O. Rudolph, athletic director of the Marion Y. M. C. A., will serve as official timer and will be assisted by members of the Y-Indus club.

Walter Moore, president of the club, will be official recorder.

Other prominent business men have been asked to take part in officiating.

Thus is the first time that such a marathon has ever been attempted in Marion and the novel attraction is expected to draw a large number of local residents at different stages of the ride.

A pedometer has been attached to the bicycle to get an accurate recording of the distance.

The affair will come off regardless of the weather starting at 5 p. m. Wednesday, May 29 and if Cram is successful he will spend Memorial day riding around Marion's east-end district.

When a man commits a social error at a stag party, the other men are kind enough to let him down easy; but they look at each other.

It is pleasant to talk on inconsequential matters for you can say what you please. Baseball games for one.

LINDBERGH, ANNE ON HONEYMOON TODAY

All Efforts To Locate Happy Young Couple Late After Ceremony

Continued from Page One

Ceremonies unless asked specifically to use it. Lindbergh is known to have requested that certain parts of the ritual be omitted but what they were could not be learned.

The bride carried a bouquet of larkspur and columbine that had been given to her a few minutes before by Lindbergh. He had gone in the garden on the estate and picked them himself.

Calm During Ritual

Lindbergh was dressed in a blue business suit and a dark, inconspicuous tie. He was calm and self-possessed throughout the ritual, responding to questions in a quiet, steady voice. Anne's demeanor was equally untroubled.

The bridegroom placed the ring on the bride's finger without the slightest indication of trembling. He glanced at her affectionately and somewhat seriously as he did so.

When the ceremony was completed a large wedding cake was cut, and each guest accepted a piece. There were no other refreshments.

The bride and groom accepted congratulations for five or 10 minutes. Anne then slipped upstairs and changed to a dark blue traveling suit. She also donned a blue turban but of felt and straw.

When she returned, she and

300 TELEGRAMS ARE RECEIVED

ENGLEWOOD, N. J., May 28.—Nearly 300 congratulatory messages arrived here today by telegraph for Mr. and Mrs. Charles A. Lindbergh.

The flood of telegrams compelled officials of the Western Union to put on extra clerks.

The messages were sent to the Morrow home where inquiries about the newlyweds were met with the same answer: "We don't know where they are."

"Lindy" hurried to the latter's car and, alone, drove away.

Flowers from garden

The room where the ceremony was held was not decorated for the occasion. There were only a few flowers about—bunches of larkspur and tulips and lilies of the valley, all taken from the garden of the estate.

When Lindbergh and his bride drove out through the gate of the estate after the ceremony, they found the usual group of reporters and photographers waiting—unaware, however, that the marriage had taken place. He looked straight ahead but the young Mrs. Lindbergh flashed them a friendly, disarming smile. They had passed this group many times in days gone by and none of the reporters suspected that they were actually married.

Were Awaiting Word

For the news that the reporters were waiting for was the date of the wedding. It had been reported that a definite announcement would be made some time, setting the question that had come up time and again as to when and where the greatly publicized couple would wed.

The consensus was that the marriage was to take place at the Morrow summer home in North Haven, Maine, about June 15.

"Lindy" and his wife drove down the road at a fast speed, turned a corner and, headed out along a main highway and soon disappeared from view. From that moment all trace of them was lost.

It was said early today that officials at Roosevelt Field, L. I., had received telephone instructions yesterday noon from Lindbergh to get a Curtiss Falcon plane that he had been using ready for this morning. The craft is a two-seater with a 600-horsepower motor. Although mechanics got busy with the plane this report was generally regarded as a scheme to throw reporters and photographers off the trail. It was recalled that shortly after the couple disappeared by automobile an airplane circled over the Morrow estate. It was not inconceivable that "Lindy" and Anne were in that plane.

SUBMIT COMPROMISE TO DEBT CONFERENCE

Germans Would Have Young Plan Replace Dawes Terms Sept. 1

BERLIN, May 28.—The German delegates to the Paris reparations conference have proposed a compromise which, they hope, will save the conference. It was learned here this afternoon.

It is proposed to switch from the Dawes plan to the Young plan on Sept. 1.

The Allied plan, according to German claims, was designed to make Germany pay both the Dawes plan and Young plan annuities during the nine months from April 1 to Dec. 31. The compromise would split the difference, but would leave the Young plan in effect.

ILLNESS FATAL

Emmett Messenger, Jr., Dies at Home of Uncle in LaRue

LARUE, May 28.—Funeral services were held at 2 o'clock this afternoon at the Methodist church here for Emmett Messenger, Jr., who died Sunday night of rickets, at the O. C. Messenger home. Reverend Reynolds officiated and interment was made in the Chandler cemetery.

The child was born May 21, 1925, to Emmett and Florence James Messenger. Surviving with the father are the following brothers: Emory, Richard, Robert, Calvert, Charles, residing at the O. C. TWO-KNIFE THEORY CITED AT TRIAL

Manslaughter Charge Against Clarence Pennington Heard in Court

Continued from Page One

Pennington told him that he had been a marshal in a small town in which he previously lived.

Cleveland's testimony under direct examination follows, in part:

Q. "What did Pennington say to you at the store?"

A. "He asked me if I didn't carry anything for protection and I told him that I didn't need anything. He said the only thing he carried when he was marshal was a black jack and a pen-knife."

Q. "Did he show you the knife?"

A. "Yes."

Q. "How long was the blade?"

A. "About three and a half inches long."

Q. "What else did he say?"

A. "He told me that he never got into trouble and that he would see that his buddy didn't. He told me that if I needed any help to call on him."

To Call Others

Pennington's buddy, referred to in Cleveland's testimony was Wade Sublett who, according to the marshal, appeared to be ably under the influence of liquor. The marshal said that he told Sublett to stay out of the hall until he sobered up. So far as he knew, Cleveland said, Sublett obeyed.

The most important witnesses remain to be called. They are the persons who were eyewitnesses to the fight. Among them are Mrs. Clement Shuster, Miss Billie Ballard, Wade Sublett, Merle Jones.

Pennington was indicted by the last grand jury as Charles William Pennington, alias Clarence Pennington. In his opening remarks to the jury, Attorney Russell K. Wilhelm, co-counsel with Attorney Robinson for Pennington, declared that the prisoner had never gone under an alias. He declared that the alias was the outgrowth of an error made in filing the original affidavit against Pennington.

Claim Shuster Aggressor

Wilhelm stated that the defense would prove that Shuster was the aggressor in the combat. He said Pennington had attempted to avoid any trouble and had made arrangements to ride back to Marion in another machine. He returned in the same car with Shuster only on the demands of Shuster, Wilhelm said.

The fight in which Pennington and Shuster were both seriously cut occurred shortly before midnight on the night of March 12. Shuster, Pennington, Sublett, Miss Ballard and Mrs. Shuster had accompanied Jones, in his car, to the Agosta dance. They were preparing to return to Marion when the fight occurred.

The trial this morning attracted a throng to the courtroom.

25 FROM MARION TO SEE AUTO RACE

No Bad Detours To Worry Motorists, Auto Club Reports

At least 25 motorists are expected to see the 600-mile automobile race at Indianapolis Speedway Memorial day, according to Mrs. D. V. Gallagher, secretary of the Marion Automobile club, who announces several extra inquiries for best routes to the Indiana city within the last few days.

The most used route from Marion will extend through Marysville and Springfield. Some are expected to make special effort to avoid Dayton traffic, but there will be obliged to take a gravel road. There are practically no detours that might cut down on driving time, Mrs. Gallagher said, there being but one small detour just east of Richmond Ind.

Verdict for Neither in City Court Suit

A verdict for neither plaintiff nor defendant was returned by a jury yesterday afternoon in municipal court, acting on a damage action filed by the Isaly Dairy Co. against W. H. Blinn. Each is to pay the respective costs.

The action was started in municipal court following the collision of a Dodge truck belonging to the Isaly Dairy Co. and a Studebaker sedan belonging to Blinn, on Sept. 2, 1928. The Dairy company asked \$700 damages; Blinn later asked \$750 of the dairy in a cross petition.

Interurban Sideswipes Truck in Car "Trench"

The road steps on a north-bound Bucyrus-Marion interurban car were torn off when it sideswiped a truck, dumping gravel into the ditch at the corner of Center and State sts. yesterday afternoon.

The gravel truck, which was backing into the ditch from a temporary entrance had become crushed when the interurban car went to turn the corner. The front end swung in and it turned the corner but the back end of the car hit the truck tearing the rear steps off. The truck was not damaged.

OCCUPANTS OF RUM CAR MAKE ESCAPE

Machine Strikes Two Other Autos During Running Gun Battle

TOLEDO, May 28.—Twelve cases of liquor, which was confiscated after a running-gun battle yesterday afternoon which ended when the rum-runners car struck two other autos, were being held by police today while a search was made for the three occupants of the liquor car.

Officers Jack Edwards and Earl McCurdy of Adams township, were badly shaken up when the car in which they were chasing the three liquor runners crashed into a ditch on the highway rd.

The driver of the police car was blinded when a bullet of the fugitives struck the radiator, sending a veil of steam into his face. Another police car gave chase.

In the vicinity of Holland, Ohio, the fleeing car struck the automobile of T. Wulbel. Two of the alleged liquor violators jumped from the car and made a successful getaway.

The driver of the liquor car continued the race, which ended a short time later in Toledo when the auto struck a parked machine. The driver fled.

Search of the car discovered 12 cases of liquor and a keg of alleged moonshine. A .38 caliber revolver was also found.

The gun-battle lasted throughout the entire chase.

"Girl Friend" of Lindy Also Starts Honeymoon

CHICAGO, May 28.—While "Lindy" and "Anne" were honeymooning today it was learned simultaneously that the "girl friend" of Col. Charles A. Lindbergh, back in the days when he was an aerial pilot on the St. Louis-Chicago run, was also honeymooning—with Pilot Harold Knapp.

Romantic love-warriorship did their best after the lone eagle's flight to Paris, to link his name with that of Louise Longley, pretty daughter of "Slim's" landlady. The girl played the piano and sang with Colonel Lindbergh evenings after his day's run.

LOCAL OFFICIALS TO ATTEND FARM MEET

State Booster Session To Be Held at Lima on June 10 and 11

Three farm bureau officials in Marion county are planning to attend the state booster meeting to be held in Lima on June 10 and 11. These are Paul C. Smith, agent of the Marion county bureau, Floyd Unapher, president of the Marion County Farm bureau, and Fred Lush, chairman of the membership committee of the bureau.

The meeting at Lima is one of four to be held throughout the state during the week of June 10-17 which has been designated as farm bureau week. Programs are scheduled for Lima, June 10-11; Canton, June 11-12; Zanesville, June 12-13; Wilmington, June 13-14.

Local leaders of the farm bureau movement state that the program of the bureau is built around these four points. Widely known leaders of farm work will be present at all of the four meetings.

Wool marketing will be discussed by J. F. Walker, livestock sales by F. H. Ketter and a general discussion led by J. L. Fawcett, of Ohio State university.

President S. H. Thompson, of the American Farm Bureau Federation, L. B. Palmer, C. A. Dyer, H. S. Ballard and county committee members will feature the opening meeting of farm bureau week at Lima.

Increasing the value of organized effort will be the topics of J. R. Allger, Miss Yerna Elisinger and Professor F. A. Russell, of the University of Illinois. Miss Elisinger has addressed meetings of the Marion County Farm Bureau several times during the past few years.

SWIM TONIGHT, GIRLS

Women's swimming classes at the Y. M. C. A. will be held tonight at the regular times instead of Thursday. The 4 o'clock afternoon class will not be held this week but those in the three night classes will report at the usual hours.

"Inside Talk"

The tire trade has its "inside talk" the same as any other.

Just now that talk is all of Goodyear—and the terrific pace Goodyear is setting for the field.

The reason that Goodyear is stepping out ahead of everybody else in the tire business comes right down to the product.

Right now, and for years past, Goodyear prices, values and quality have had it over all the other tire-makers like a tent.

This is no secret in the trade—it's common knowledge.

The hint may be valuable to you the next time you need tires.
